Skills & Knowledge Requirements:

Senior management experience in a multi-disciplinary engineering /utility /DNO environment

Proven staff management abilities and motivational skills gained in senior roles

Ideally Chartered Engineer (ie MICE, MIET, MIMechE) or relevant experience

Relevant management or professional qualifications

Understanding of management systems to ISO9001, ISO14001 and OHSAS 18001

Knowledge and understanding of Industry Standards, relevant codes and Systems

Knowledge of protection and control schemes on the 11kV to 132kV Distribution Network.

Design and design management experience

Knowledge & understanding of the CDM Regulations and the role of the Designer under the Regs

Proven negotiation skills

High degree of commercial and contractual awareness

Ideally with experience working in a Joint Venture or Alliance environment

What's in it for you?

25 days annual leave plus 8 days bank holiday

Annual bonus

Pension scheme

Life Assurance

Private health care

Company car or car allowance and fuel card

Notes/Brief for Recruitment Team: About The Company

M Groups Services is the UK's largest provider of essential infrastructure services through long-term framework agreements to the electricity, water and gas sectors across the UK & Ireland. Our workforce operates 24/7, in local communities to keep people connected, households and businesses warm, taps flowing and the lights on.

We aim to be the employer of choice in the Utility Services sector. Our continued growth and success is creating opportunities for fulfilling and rewarding roles, making the best use of our people's skills and expertise. We want our people to have a positive impact on customers, communities and our clients every day. We invest in training our people, developing leadership capabilities to create ambassadors not just employees. Through strong leadership, teamwork and mutual support we want our business to thrive on a happy, healthy and, most importantly, safe workforce.

M Group Services values diversity and welcomes applications from all sections of the community. We are committed to equal opportunities.
