Company: HOCHTIEF (UK) Construction Ltd

Location: Wales

Category: other-general

HOCHTIEF (UK) Construction Limited is part of a leading international civil engineering company specialising in complex markets including Tunnelling, Building, Civil and Structural Engineering. We are looking for a Design Manager (Permanent Works) to join our team at a major tunnelling project within Eryri (Snowdonia) National Park. In this role you will manage client, third party organisation and design consultant interface activities and deliverables to ensure they are completed on time, budget and project requirements. Suitable candidates will be qualified to M.Eng or CEng MICE level and have tunnel, shaft and underground design experience gained from working on large, complex civil infrastructure projects. We offer a competitive remuneration package which includes base salary, 25 (pro rata) days holiday entitlement (plus bank holidays), contributory pension and private health care schemes. So, if you have the skills, the drive and determination to succeed, and meet the above requirements, we would love to hear from you. Please e-mail your CV and covering letter to: [careers@hochtief.co.uk](mailto:careers@hochtief.co.uk) HOCHTIEF recognises the benefit of diversity and welcomes all applications regardless of age, disability, marital status, race, religion, gender, sexual orientation, employment status or any other protected characteristic.
