[Apply Now](#)

Company: Bennett & Game Recruitment

Location: United Kingdom

Category: other-general

Designer required to join a leading construction specialist located in North-West London. The company offer cladding solutions to the commercial and residential sectors and due to continuous growth, require a Designer to join their team.

CAD Designer Position Remuneration

Starting salary £30,000 - £35,000 (dependant on experience)

31 Days holiday (including Bank Holidays, plus additional days for long service),

Contributory pension scheme

Life assurance

Health cash plan

HSF Perkbox.

CAD Designer Position Overview

To oversee the design for external elevation cladding panel layout drawings and fixing system layouts for our clients.

Working from general architect intent drawings or 'already dimensioned' panel design drawings received from our design and build contractor customers.

Issuing instructions to our design suppliers where necessary and checking their work once returned, before issuing to the internal project manager for release to our production.

You will maintain good relationships with outsourced façade design partners, who will welcome your input to minimise their own omissions which could affect the project progress if not caught early on in the process.

CAD Designer Position Requirements

Minimum 2 years' experience in a similar role

Minimum 2 years' experience of using AutoCAD

Excellent attention to detail

Enjoy working as part of a small team

Ability to coordinate multiple tasks simultaneously

High quality verbal and written communication skills
