Company: The Green Recruitment Company

Location: London

Category: life-physical-and-social-science

Job title:Development Analyst (Planner) - Solar & BESS

Location:London, England, United Kingdom (Hybrid)

The Green Recruitment Company is excited to be working with an international renewable energy developer. Backed by a private investment firm, the business specialises in Solar and BESS projects and is now looking for a French or German-speaking Renewable Energy Development Analyst to join their team in London.

Responsibilities:

Screen development opportunities by using GIS software while considering planning constraints and restrictive covenants.

Assess overall project viability by taking planning and commercial factors into consideration.

Produce commercial parameters to aid in land negotiations.

Produce commercial designs for systems.

Through a network of land advisors and internal Land Acquisition Directors, assist in securing land parcels under lease options.

Your Profile:

Real Estate degree, or another relevant degree

French or German - native or professional working proficiency

Previous experience in land agency, real estate, planning or development in France or

Germany

Interest in renewable energy

Benefits:

Competitive base salary

Commission structure

Equity

The opportunity to relocate to or work in London for 6 months to a year

In conclusion, be part of an organisation to drive the renewable energy revolution and contribute to a sustainable future.
