[Apply Now](#)

Company: Jobspaddy

Location: United Kingdom

Category: other-general

Maxwell Bond is an award-winning recruitment consultancy dedicated to creating bespoke solutions for tech, digital, and business change recruitment across the UK and US.

Our pride is in building key, transparent relationships that help deliver outstanding results.

We've won multiple awards for our tech & digital recruitment consultancy and industry-leading staffing solutions, including:

- Tech Recruitment Agency of the Year – Technology Innovator Awards 2023
- Tech Recruitment Agency of the Year: Northern England – Technology Innovator Awards 2023
- Best Digital & Tech Recruitment Company: UK – Wealth & Finance Awards 2023
- Best Digital & Tech Recruitment Company – UK Enterprise Awards 2023
- GBEA Finalist 2022
- Best Global Digital & Tech Recruitment 2022 – SME News

What sets us apart is our commitment to our people, enabling them to operate in a healthy, flexible, collaborative environment, whilst helping to train, develop and focus them so that they can make a huge difference to other people's lives. Our dedication to moulding and developing the best recruitment consultants, means that they are well equipped with the tools and knowledge to provide exceptional recruitment consultancy services to clients and candidates within the tech and digital spaces.

Maxwell Bond are excited to be partnered up with an award-winning digital consultancy, who are looking to continue growing their Project Delivery team!

After a huge successful 2023, as they embark into 2024, they have a pipeline for large

complex digital transformation projects for clients across the UK as well as internationally....

As a Digital Project Manager, you will be supporting their clients throughout their digital transformations across Website, Mobile Applications and Digital Platforms.

You will work in a energetic environment where no two days are the same, from scoping and defining the project to working with the resource team to then sit closely with development team throughout the process, you will be an important piece to the team to ensure success.

As a Digital Project Manager, what we are looking for is :

Experience as a Digital Project Manager, working with digital products working technology such as Umbraco, WordPress or Drupal!

Current or previous experience working within a Digital Agency environment;

Demonstrable experience working on large complex projects within a digital transformation; where you're confident managing multiple six figure projects at any one time!

By applying for this role, you provide us consent to process your data in line with our Privacy Policy, full details can be found on our website
