Healthcare at Superdrug

With an extensive network of pharmacies across the UK and over 60 health clinics, we're at the forefront of accessible and quality healthcare. If you're passionate about making a difference to the nation's health, come be a part of our dedicated team and help shape the future of healthcare.

What's in it for you?

Our success comes from our people – they make the difference. We're all about personality, we have fun, and we work hard to deliver that Superdrug feeling! In return we give you:

Up to 33 days holiday (including bank holidays)

Instant access to Wagestream - a tool that lets you track your earnings in real-time, access a percentage of your pay as you earn it

Amazing discounts - Up to 30% discount at Superdrug for you and a nominated person

plus discounted services including Online Doctor

AvivaDigicareWorkplace+ you and your family will get access to an app that gives you free healthcare services like Digital GP, mental health consultations and an annual health check

Excellent training and development opportunities

Cycle to work scheme

Enhanced company sick pay and pregnancy loss and support

The Role

In our Dispensers (NVQ level 2), we look for individuals who can support the Pharmacy Manager and team to ensure that all customers and patients are served with care and efficiency. Your role at Superdrug will be all about working on both the counter and in the dispensary.

It's a great experience that will prepare you for even bigger challenges. We will actively support you to develop your skills!

About You

Must have NVQ Level 2 in dispensing or equivalent

Experience of working in community pharmacy

Enjoy working in a team - work well under pressure in a fast-paced environmentHave a passion for learning and a willingness to be trained on additional services for the needs of the business.
