Domestic Appliance Engineer - Self Employed

At Pacifica we pride ourselves on our position as the UK's largest Appliance Repair provider, with over 320,000 appliance repairs every year, visiting and servicing 1 million customers. Every day over 400 of our fully qualified engineers, trusted by our customers and clients, visit homes to carry out repairs.

We are looking for you, to work in partnership with Pacifica Appliance Services. Do you have your own business or are looking for help and support to begin your start-up of one?

We will provide all the help and support you'll need to be in charge of your earning potential, with a reliable source of work, allowing you to grow your client portfolio outside of us whilst giving you access to work you wouldn't otherwise see.

Come and Join Pacifica!

Provided with the latest tools and equipment

- o A tablet running our field service applications**
- o Daily planned service jobs**
- o Uniform**
- o Field support & Office support teams**

o **Full Electrical Safety training and PPE**

o **FOC spare parts that are delivered to a local collection point**

We're looking for skilled Domestic Appliance Engineers to join our Service Partner Network. We'll provide a full induction and specific product upskilling if you require it, enabling you to expand your skillset and develop your business further.

Benefits:

Competitive rates of pay per completed job and weekly pay

Flexible working

FOC parts to a local collection point

FOC Uniform and PPE

The latest tools and A tablet running bespoke software for easy job management

Access to in house and direct manufacturer technical support

Access to field management teams and office-based support.

Access to continuous online training platform

Once you have completed a full induction you are set for a great Partnership with Pacifica, ready to repair customers' appliances with the right equipment and mobile tablet running bespoke job planning software to make your day quick and efficient.

We have several opportunities available nationally, so if you have the right skillset and experience we'd love to hear from you!

To be considered for the role you will need the following:

Experience in the White Goods repair sector with working knowledge of at least 3 of the following; washing machines, tumble dryers, dishwashers, refrigeration, and electric cooking appliances.

Full UK Driving Licence
