Domestic Energy Assessor

Office based - Bootle

£25,000 - £35,000 + Progression + Training + Pension

Are you a Domestic Energy Assessor looking to take the next step in your career with a industry leading business that is dominating the Renewable Energy market, with the chance to lead teams.

Do you want to move into a more office based role, with a company that is looking to upskill and progress the right candidate.

This company have been in the Renewable energy industry for over 15 years, showing its dedication to sustainable energy solutions. With a proven record in delivering high-quality renewable systems, it takes pride in contributing to a greener future by helping domestic customers upgrade homes with Renewable measures, new heat systems and insulation.

In this role you will oversee and spearhead the DEA teams, while checking the assessments and making sure all systems are up to date. The role will require coordinating the teams and making sure all assessments are carried out correctly.

This is a great opportunity for someone that is looking to progress their career into a office based role, with a great company that are committed to training and developing their employees.

The Role:

- Serve as the main point of contact for all DEAs within the business
- Check all assessments that are carried out and make sure all systems are up to date
- Office based in Bootle

The Person:

- Fully qualified Domestic Energy Assessor
- Experience with documentation and compliance paperwork
- 2 years industry experience

Reference Number: BBBH(phone number removed)
