Company: Stericycle

Location: Liverpool

Category: transportation-and-material-moving

Title: Driver LGV Class 2

Requisition Id: 32875 Job Function: Field Services Operations Career Area: Drivers Posting

Location: Knowsley

About Us:

Stericycle is a U.S. based business-to-business services company and leading provider of compliance-based solutions that protects people and brands, promotes health and well-being, and safeguards the environment. Since our founding over 30 years ago, we have grown from a small start-up in medical waste management into a leader across a range of increasingly complex and highly regulated arenas, serving healthcare organizations and commercial businesses of every size. Every day, we help our customers solve complex challenges by safely managing materials that could otherwise spread disease, contaminate the environment, or compromise one's identity.

Join us on our mission to protect health and well-being in a safe, responsible, and sustainable way.

Position Purpose:

Contribute to the safe and timely movement and transportation of clinical and industrial waste.

Working as part of the Transportation team to provide excellent customer service to the customers while ensuring all legal compliance issues regarding EU Working Time Directive (EU hours) in conjuncture with the ADR Transportation Regulations are fully adhered to.
