

## DT Teacher-Food Technology

[Apply Now](#)

Company: Randstad

Location: Bootle

Category: other-general

### job details

Randstad Education Liverpool is seeking a Design Technology (food specialism) Teacher for a Secondary School based Bootle. This will be a long term, full time (Monday to Friday) post.

#### Benefits

Access to school health & fitness facilities

Access to Free CPD course and Safeguarding Training

Caring & dedicated co-workers

a dedicated, professional and friendly consultant and a branch with 24 hour on-call facility

competitive rates of pay paid weekly, which are fully compliant under the Agency Workers Regulations (AWR, 2011)

recommend a friend bonus worth up to £300

#### Responsibilities

Plan, prepare and teach appropriate lessons within your specialist subject area enabling all student abilities to access the curriculum

Support colleagues within your department as required

Organise your classroom to create a positive teaching environment, liaising with relevant teaching assistants and support staff to develop effective working relationships with

pupils and colleagues

Maintain discipline through employing various classroom management techniques in line with the school's behaviour management policy

Monitor pupil's progress and keep records on their development

Attend meetings, parent's evenings and in-service training days as required by the school, helping them in all areas to the best of your ability

Requirements

Hold a qualification with, or leading to, UK Qualified Teacher Status (NQTs and overseas qualified teachers are welcome to apply)

Be subject to an enhanced Disclosure and Barring Service check and full referencing process

Be passionate about teaching and your subject

Have excellent communication skills

Possess the motivation to achieve and add value to a school

Have proven classroom management skills
