

Dual Fuel Smart Meter Technician

[Apply Now](#)

Company: M Group Services

Location: United Kingdom

Category: other-general

About The Role

Are you a **Smart Meter Technician** looking for a safe, stable and secure career both now and into the future? If so, come and join us!

Morrison Energy Services are currently looking to recruit **Dual Fuel Smart Meter Technicians** to work across the **South of the UK**. This covers the Seeboard, London, Southern and SWEB DNO / GSP areas. You will be working on behalf of **EON**, Who are committed to becoming one of Europe's largest Green Solutions Installers and as a result are undergoing a transformation of workforce upskilling to solutions capability.

As a **Dual Fuel Smart Meter Technician**, you will be a part of an enthusiastic, dynamic team, installing smart meters for a major energy provider. This is an exciting time to join our team! Morrison Energy Services are committed to the development of our employees, providing a safe and supportive environment for you to grow!

As a division of M Group Services, Morrison Energy Services has a passion and dedication to Health, Safety and Wellbeing and is active in many areas of the energy industry. It has a turnover of circa £380m, an order book of circa £900m and employs in excess of 3,700 people. In addition to our traditional markets, we are actively investing in Green Energy, to create new and exciting opportunities for the future.

As a Dual Fuel Smart Meter Technician your duties & responsibilities will include:

Installing and exchanging both electric and gas Smart Meters in a variety of premises using a handheld device.

Completing prescribed testing procedures in accordance with industry standards and codes

of practice.

Completing all associated administrative work.

Achieving and exceeding work performance targets whilst adhering to all health and safety procedures, industry standards and codes of practice.

Participating in out of hours' emergency On Call rota.

Delivering excellent customer service, providing tailored energy efficiency advice and helping customers realise the benefits of having smart meters installed.

Skills & Knowledge Requirements

CCN1 / CMA1 / CMA3 all with MET1, or NVQ Level 2 Smart Metering Dual Fuel

Experience installing gas and electric smart meters

Have previous MOCOPA experience to multi rate level (3 phase is beneficial)

Ideally have been registered on the EUSR portal (not essential)

Effective customer service skills

Full, current manual driving licence (maximum 6 points)

Additional qualifications such as REGT1, 3 phase etc. are desirable but not essential

What's in it for you?

36k basic salary (+3k London Weighting – inside the M25), realistic OTE £48k per annum

£1000 Safety Bonus per year, paid at 6-month intervals

£1000 Attendance Bonus per year, paid at 6-month intervals

Uncapped additional productivity related bonus

Additional Skill set bonus - £1000 added to salary for 3phase and/or Medium Pressure (once trained/authorised by MES)

Regular overtime paid at time and a half and double time on Sundays

Shift allowance payments

More detail about the shifts and bonus scheme will be discussed at interview.

22 days annual leave + 8 bank holidays

Additional year annual leave entitlement for 3rd/4th & 5th year, capped at 25 days

Pension Scheme

Sick Pay

Company van and fuel card

Opportunity to progress your career in a thriving business

Access to My Rewards which provides amazing reductions on 1000's of purchases including Mobile Phone, Utility bill & top retail brand discounts such as:

Up to 7% discounts on major supermarkets

Up to 52% on Cinema tickets

Up to 33% on holidays and travel

Up to 10% on restaurants and takeaways

Up to 25% off gym membership

Please note, we take customer and colleague safety very seriously, all candidates will be subject to a mandatory drug and alcohol screening as part of the assessment process. All offers of employment will also be subject to a DBS and relevant vetting checks alongside a colour vision test.

Notes/Brief for Recruitment Team: About The Company

M Group Services delivers a range of essential infrastructure services within the water, energy, transport and telecommunications sectors in the UK & Ireland. We have built and maintained relationships with our clients over a number of years and have a strong culture that continuously focuses on safety, operational delivery, efficiency and customer service.

We are committed to profitable growth both organically and through acquisitions. M Group Services, a trusted employer to over 10,000 skilled specialists working from 240 locations,

operates a divisional structure aligned with its end markets.

At M Group Services we recognise and value the benefits from our workforce diversity. We work hard to build and maintain inclusive environments and develop a culture where our people feel included and valued.
