Location: United Kingdom

Category: arts-design-entertainment-sports-and-media

I am looking for a talented Dutch translator to join a leading gaming company. As a Dutch translator, you will be responsible for translating game content, including dialogues, user interface elements, and marketing materials, from English to Dutch. You will also be tasked with ensuring that the translated text maintains the tone, style, and context of the original content.

Key responsibilities:

Translate game content, including dialogues, user interface elements, and marketing materials, from English to Dutch

Ensure the accuracy and integrity of the translated text

Adapt the translated text to fit the cultural nuances of the target audience

Collaborate with other team members to maintain consistency in the translated content

Proofread and edit translated text as needed

Qualifications:

Fluent in Dutch and English

Knowledge of gaming terminology and trends

Detail-oriented and able to work efficiently under tight deadlines

If you are passionate about gaming and have a strong command of both Dutch and

English, we would love to hear from you. Join our team and help us deliver top-notch gaming experiences to our Dutch-speaking players.
