Company: Qurated Network

Location: Manchester Area

Category: other-general

A fast-growing, innovative law firm is looking to bring in a Power Platform Product Specialist to drive continuous improvement and process automation across the firm. This role will play an integral part in the high-growth journey that the firm is on where they are consistently looking to innovate and improve technologically. In this role, you will work closely with the Portfolio Lead and stakeholders across the firm to understand their requirements and design and customise Power Platform solutions including Power Apps and Power Automate. You will also have the opportunity to further develop your Power Platform, M365 and D365 skills in an environment which promotes training and development. Experience Strong experience with Power Platform, in particular with Power Apps and Power Automate Excellent experience with Microsoft 365 and Dynamics 365 suite of applications Exceptional attention to detail and problem solving skills Experience working in a legal or professional services firm The client has offices in Manchester and Cardiff and offers flexible hybrid working.
