

Ecommerce / Digital Marketing Manager

[Apply Now](#)

Company: Blu Digital

Location: London

Category: other-general

Ecommerce / Digital Marketing Manager Weybridge Our client is currently recruiting a Digital Marketing Manager working across B2C and B2B paying circa £50,000. You will be responsible for leading on website sales and running search through agencies; whilst assisting in a new website redesign using Magento 2. You will also be involved with managing a Digital Marketing Executive. To be considered you will have an understanding of the wide digital marketing context and have a passion for working in a fast growing, entrepreneurial business. Browse the latest roles across Ecommerce and Digital Marketing on our jobs page.
