## Business and Economics Teacher

April start iafter the Easter break

Business and Economics teacher Key Stages 4 and 5

Full time position, possible HOD post for the right applicant

Top London School

Salary £170 - £320 per dayJOB DESCRIPTION

Business and Economics teacher required for a high-achieving all-girls school in Central London. The school are looking for a Business and Economics teacher who can work across Key Stages 4 and 5. The post will be full time and start in April after the Easter break. The school can offer a HOD post for the right Business and Economics teacher. The school boasts high academic standards and achieves exceptional results. The school has an extremely prestigious reputation and is an excellent place to work both in terms of students and staff members. The school are keen to look over Business and Economics teacher's CVS ASAP and meet Business and Economics teacher's over the next few weeks.

## School Information

This is an outstanding all-girls school based in the heart of London. The school has an academic history of excellence in addition to state of the art facilities. This over-subscribed

school has four applicants for every space available and boasts a brilliant reputation within the local community. All in all this is an excellent school to work within both in terms of students and staff members.

The school was judged to be 'outstanding' by OFSTED in October 2022. They are proud of our ethos of continual self-improvement, which characterises every aspect of our rich and culturally diverse school. In 2012 the school was named amongst the top 100 non-selective schools, in recognition of excellent attainment and progress of our students at KS4. Pupil behaviour is excellent and the incredible SLT team are approachable and supportive.

The latest Ofsted Report (Oct 2022) judges the school to be outstanding in all areas. GCSE and BTEC results 2022 have not only remained high at all levels but have, in fact, exceeded their summer 2021 Teacher Assessed Grades, testament to the expert quality of teaching and assessment that takes place at our school; the high level of academic and pastoral support given by their staff; the continued hard work and resilience of their students; and the strong support of parents.

GCSE pass grades 9-4 was 96.9% in 2022, compared with 73% as the national average.

GCSE grades 9-7 was 62%, compared with 26% nationally.

The school has a disproportionately large number of their 6th form students go to Oxbridge and the school has received awards in recognition of being in the top 10% of non-selective schools nationally for KS5.

#### REQUIREMENTS

Applications are welcome from Business and Economics teachers at any stage in their career including NQT's and both British trained Business and Economics teacher's and overseas Business and Economics teacher's will be considered for this position.
