Electric Vehicle Charge Point Field Service Technician UK (London / Southeast)

To solve the biggest challenges of our time, we need bright minds with the ambition to make the impossible possible. Siemens is your place to thrive, challenge the status quo, make a difference, and grow in a team of innovators who share your passion for tech and for a sustainable future. Are you in? As an Electric Vehicle Charge Point Field Service Technician, you will play a crucial role in supporting Siemens' cutting-edge electric vehicle charging products and solutions, ensuring customer satisfaction and supporting the transition to low carbon operations. **You'll make a difference by:**

- Conduct test and commissioning activities including site handover testing
- Perform preventative maintenance, fault identification and corrective maintenance in a variety of work environments, including bus depots, service stations and on the public highway
- Be available as part of an on-call rota (including at nights and weekends) for approximately 10 weeks per year
- Deliver on-site training for customers
- Work effectively under own initiative and as part of a wider team to meet customer requirements whilst always adhering to company safety policies
- Maintain records and generate comprehensive test and service reports using digital tools
- Identify and suggest improvements to our products and services
- Assist in updating and enhancing service documentation
- Collaborate with development teams to deploy, test, and provide feedback on new products

You're excited to build on your existing expertise, including:

- HNC / City & Guilds Level 3 Electrical / Electronic or equivalent experience in a similar role
- BS7671 qualification
- Proficiency with electrical installations including 3-phase
- Strong troubleshooting skills
- Familiarity with network and industrial communication protocols and related

tools•Knowledge of relevant safety regulations •Ability to read circuit schematics•Full driving license with a maximum of 6 points**In addition to a competitive base salary, we offer:**

- Performance-Based Bonus: Enjoy an annual bonus linked to the company's performance
- Flexible Working Hours: Achieve a healthy work-life balance with our flexible working arrangements, enabling you to tailor your schedule to your needs.
- Pension Plan: Secure your future with our generous pension scheme, with employer contributions up to 10%.
- Time Off: Recharge and rejuvenate with 26 days of annual leave (plus bank holidays), and the option to buy or sell an additional 5 days.

We value your unique identity and perspective and are fully committed to providing equitable opportunities and building a workplace that reflects the diversity of society. Come bring your authentic self and create a better tomorrow with us.#LI-KH1
