

## Electrical Engineer

[Apply Now](#)

Company: Kimberly-Clark

Location: Flint

Category: architecture-and-engineering

### Description

#### Electrical Engineer

**Location – Flint Mill, Wales**

**Permanent, Full-Time**

**Competitive Salary + Benefits**

#### Your Job

Our Electrical Engineer the is perfect opportunity for you to be part of our future Engineering strategy here at our Flint site!

As Electrical Engineer you will be supporting site operational activities, you will collaborate closely with others within the Engineering team and wider, to provide full engineering solutions across the whole manufacturing operation. You will lead planned preventative maintenance development and be involved in Capital Project Management. The role will also see you continuously improving asset reliability with a desire to make a proactive difference.

#### About You

We work in a Culture of Continuous Improvement so having experience of lean methodologies and conventional plant operations will be needed.

We in a coaching culture and your leadership and development skills will be key in delivering improvement.

If you have prior experience of working within the Paper, FMCG or Chemical Industries (or

other regulated industries) – then great! If not, here's where you will be able to gain a wealth of experience in our industry.

You'll be able to demonstrate your previous experience of Electrical Engineering

You'll also be able to demonstrate your Electrical experience in an ever changing technical environment including networks and site infrastructure.

Experience in progressive manufacturing cultures using TPM, involvement in LV and HP systems is desirable.

Ideally, you'll be Apprentice trained, hold an appropriate HNC, Degree or National Qualifications level 5.

### **About Us**

Huggies®. Kleenex®. Cottonelle®. Scott®. Kotex®. Poise®. Depend®. Kimberly-Clark Professional®. You already know our legendary brands—and so does the rest of the world. In fact, millions of people use Kimberly-Clark products every day. We know these amazing Kimberly-Clark products wouldn't exist without talented professionals, like you.

At Kimberly-Clark, you'll be part of the best team committed to driving innovation, growth, and impact. We're founded on 151 years of market leadership, and we're always looking for new and better ways to perform – so there's your open door of opportunity. It's all here for you at Kimberly-Clark.

### **Led by Purpose. Driven by You.**

#### **Competitive Benefits**

We offer competitive pay and benefits to employees and reward excellence and performance. Our belief in promoting a healthy work-life balance drives us to support our employees' total well-being, offering comprehensive benefits not limited to gym memberships, private medical insurance, dental cover, employee assistance programme, cycle to work scheme, critical illness cover, travel insurance and a market leading defined contribution pension scheme.
