Description

Electrical Engineer

Bolton

Salary: £35, - £45,

Job Ref #

A dual office engineering consultant is recruiting for an Electrical Engineer to work within their consultancy on various projects in diverse sectors. My client is based near Bolton City Centre and they have a second office in Liverpool and have done for some time now, it is well established and services a plethora of clients in the local area, North Wales, Cheshire and further afield.

You will have the opportunity to work on some key projects in Warrington, Manchester, Liverpool, London and the North West. You will be undertaking the Electrical Design of a number of Commercial premises, Leisure Centres, Pharmaceutical projects, Residential and mixed-use developments whilst working for the company.

Their reputation for producing solid RIBA Stage 4 designs means that they have lots of repeat work. Their reputation has landed them a client that will be able to guarantee work over a long period of time and its interesting work too!

You will be working as an Electrical Engineer on Building Services projects alongside other team members and senior engineers. They have a number of other Seniors for you to work alongside and learn from side by side with a well-rounded Associate Director too. The office

culture is very good, and they typically work from the office every day unless needed at a site visit or otherwise.

You will not be short of work within this Bolton based engineering business, orders and opportunities to tender come through the business and you will be exposed to a wide variety of projects because of their reputation and capability in a variety of sectors. You will be working in a non-bureaucratic engineering organisation where everything you do is recognised and you should like meeting challenges and getting hands on. Ideally you will be educated to HNC/Degree/Masters qualification and have experience within the Building Services market already and can work autonomously running calculations for the project leaders.

If this opportunity is of interest, or you require further information, please contact Rob Jones in Calibre Search's Manchester Office.

Calibre Search promote equality in the workplace and we welcome applications from all suitably skilled or qualified candidates regardless of their sex, race, disability, religion/beliefs, sexual orientation or age. We act as both an employment agency and employment business.
