Electrical Site Manager

MEP Contracting / Building Services

London

An Electrical Site Manager is required to work for a large and highly reputable Design & Build M&E Contractor, on a major new-build residential project in North West London.

A PAYE appointment is preferred, however my client is open to freelance operatives on a CIS basis.

Employment benefits include:

25 days of annual leave, rising with service

Flexible holiday scheme

Private health care

Life Assurance

Travel expenses

Enhanced pension scheme

Duties:

Supervise, monitor and delegate works to the electrical team

Assure that works are completed to correct standards and to schedule.

Co-ordinate materials and equipment.

Tracking the cost of labour and reducing wherever possible

Producing monthly valuations

Prepare subcontract packages for procurement, agree contracts, and manage through to final account

Produce monthly progress reports for the Project Manager and senior management
