Electrician (Exciting Progression)

£33,000 - £37,440 + Company Van and Fuel Card + 24 Days Holiday plus Bank Holidays
+ Door to Door + Career Progression

Field Based, Commutable from Bristol, Bath, Cheltenham, Taunton, Cardiff, Plymouth, Exeter and Surrounding Areas.

Are you an ambitious Electrician looking to take the next step to propel your career in a long-term, stable role where you will be fully supported through both internal training and external qualifications to develop technically and become an expert Engineer all whilst massively boosting your annual earnings with premium overtime, call outs and door to door pay.

On offer is the opportunity to join a well-established company in an autonomous role where you will have chance to showcase your technical knowledge as part of a team of task-experts working on exciting projects in the South West of England where you will be invested in to upskill and develop technically.

The highly reputable, expanding company are renowned for their great culture and family feel, having recently won exciting contracts with blue-chip clients hence the need for additional engineers to facilitate their growth to become a market leading company in the area.

On offer is the chance for a highly motivated and ambitious Electrician looking to gain recognition and technical experience. You will be responsible for the testing, remedial, installations and reactive works across the South West.

This role would suit an Electrician looking to get their foot in the door of a highly reputable company to kickstart their career and progress through the ranks into Senior positions.

The Role:

- Commercial Electrical Installations, Test & Inspection, Remedial and Reactive Maintenance
- Premium Overtime
- Door to Door pay

The Candidate:

- 18th Edition
- NVQ Install/Commissioning Qualification
- Full Clean UK Drivers License

Keywords: Electrician, Electrical. Electrical Engineer, 18th Edition, Installation Electrician, Test and Inspection Electrician
