

Electronic Production Assembly Full Training Given

[Apply Now](#)

Company: Personnel Selection

Location: Andover

Category: computer-and-mathematical

Personnel Selection Andover are currently looking for people to join a manufacturing production team based in Andover Hampshire. Standard day shift working hours with early finish on Fridays.

Full training given.

To be considered for this role you must meet the following criteria:

Show a good previous loyal working history.

Worked ideally within a production environment before.

Happy to do repetitive work.

Able to work within a small team and be self motivated.

Happy to use small hand tools and equipment.

Working with small parts and metal components, you must have self patience.

Strong attention to detail and good eyesight.

Happy to learn and use basic machinery.

Be literate and numerate as you will be required to read basic instructions and counting involved.

Occasional lifting involved but not repetitive.

A good team player with a good sense of humour.

If this sounds perfect for you then please submit your C.V today for consideration.

Thank you
