Company: Serco

Location: United Kingdom

Category: other-general

Employer Engagement Coordinator

Full Time, Permanent

Location: Homebased role but will include regular travel to different sites within Wales - Candidate must live in Wales

Salary: £, plus company Car

Our Employment, Skills and Enterprise business provides support to citizens, from supporting the unemployed into sustainable work, to upskilling those with low or no vocational skills, so they can progress in work.

As part of our Restart programme, we will support participants on their journey to finding sustainable employment, enabling them to progress towards a more secure future. The Restart programme will help people who have been unemployed for between and months get back into work, including those whose prospects for securing employment have been impacted by the Covid- pandemic.

We are expanding our team and we are looking to recruit an Employer Engagement Coordinator in Wales.

The Employer Engagement Coordinator will proactively engage, develop and retain key national and local employer partnerships to support the contractual requirements of the Restart programme. Responsible for contributing to the development and implementation the Employer Engagement Strategy.

Employer Engagement Coordinator will be responsible for sourcing high volume employment opportunities that are sustainable, including vacancies and job focused work placements to

meet customer needs and aspirations. Develop existing key employer partnerships regionally to maintain a flow of employment opportunities aligned to customer aspiration and growth sectors.

The Employer Engagement Coordinator will work closely with operations team and supply chain network to identify aspirations and skills analysis to direct and align their focus on such opportunities as well feedback to the operations team and supply chain partners the growth sectors, so that customers can be upskilled and pipeline of candidates are developed.

What you'll need to do the role:

Ideally you will have experience working in a similar role or have previous experience and successful track record in commercial recruitment, sales, business development or employer engagement in a performance target driven environment. Ideally qualified to Level 4 or equivalent. You will have good knowledge of local labour market and growth sectors. You will have excellent communication skills at all levels, using a variety of communication methods (spoken, written, behaviour), along with excellent negotiation and influencing skills.

You must also be willing to travel around Wales.

Why Serco?

Meaningful and vital work: The nature of our business means you will do interesting work that matters – delivering essential services that truly touch people's lives;

A world of opportunity: Our diverse UK-wide operations offer unrivalled opportunities to learn and develop. You'll be able to broaden your experience and apply your skills in new ways;

Great people: We are a motivated team who will encourage you and help you to succeed. You'll have the resources you need to do your job in a diverse and supportive environment.

What we offer:

Up to 6% contributory pension scheme

A range of benefits to support the health and wellbeing of you and your family such as Employee Assistance Programme, Wisdom App, Simply Health Plans, Annual Leave Purchase Scheme and more

Access to a huge range of discounts and exclusive deals such as Merlin Attractions, Mobile Phone discounts, Cinema discounts, Leisure and Hospitality discounts

A fantastic culture and supportive team where you'll get the chance to make a positive

difference in a company passionate about diversity and inclusion
