### ENERGY/PROJECTS FOCUS

### LOOKING FOR ENERGY/PROJECTS SPECIALISTS...

At Frasia Wright Associates we are currently handling a range of challenging and exciting energy/projects opportunities and are seeing an increase in demand for energy/projects specialists within the profession at all levels, throughout Scotland. So, if you are looking for a new challenge as a energy/projects lawyer, at any level – please contact us for a confidential discussion or visit our website. A small selection of what we have to offer is featured below:

### **Energy Solicitor – Edinburgh**

This firm is currently recruiting a Solicitor to join its Energy Team in Edinburgh. This is a varied role where you will be involved in renewable energy projects, dealing with option agreements, leases, servitudes and other contracts, acting for developers, electricity companies, utility companies and landowners. Your duties will include:

Dealing with renewable energy option agreements, servitudes and leases, mostly acting for landowners and developers

Advising clients on the acquisitions and sales of estate and farms

Advising clients on acquisition and sales of forests, sporting and fishing rights, minerals and option agreements
