Would you like to gain more experience teaching children with complex needs as an English Graduate Teaching Assistant?

Have you demonstrated an empathetic attitude towards children as an English Graduate Teaching Assistant?

If you have answered YES to the above, then continue to read with the chance of becoming an English Teaching assistant

About the Role:

English Graduate Teaching Assistant - Hackney

As an English Graduate Teaching Assistant, you will work directly with students studying English as well as other subjects, both in the classroom and in one-on-one sessions based on the students' needs, to provide support and assistance to them both in the classroom and in one-on-one sessions based on their needs. A person who has the ability to communicate effectively in English, as well as a desire to improve the confidence of the students' ability to communicate in English, is essential in the classroom! For children who have a lower level of English ability, you might be able to run interventions or small groups for them.

About the School:

English Graduate Teaching Assistant - Hackney

There is a need for a graduate teaching assistant in English to work in a progressive and supportive school located in Southwark. The school has a vibrant environment and is seeking a Graduate Teaching Assistant to join their team. If you are interested in improving a child's academic performance by giving them the nurturing and guidance they need, then this may be the right role for you.
