Job Title: English Teacher Job Type: Full-time, Permanent Hours: Full-time Location: London

Job Purpose: We seek an exceptional teacher dedicated to their students' success. If you possess the ability to make English engaging and impactful, fostering high achievement, then you're the ideal fit for the team. Your role involves crafting and delivering dynamic learning programs tailored to diverse learner needs, particularly in group settings. Qualifications and Experience: Demonstrated proficiency in delivering exceptional teaching and learning experiences or relevant industry expertise. Proven track record in teaching Functional Skills English and GCSE English. Capacity to inspire and motivate students to realize their full potential, coupled with a genuine passion for education. Strong organizational skills with an aptitude for meeting ambitious targets and effectively managing time. Degree-level education in a relevant subject or possession of pertinent occupational qualifications. Possession of a relevant teaching qualification or readiness to pursue one. Attainment of A*-C grades in Maths and English. Roles and Responsibilities: Facilitate the promotion of courses and contribute to student recruitment and enrollment efforts. Conduct thorough assessments to ensure tailored learning approaches meet individual student needs. Foster a safe learning environment, educating students on safety protocols and promptly reporting any risks to management. Actively promote fundamental British values within the learning environment. Employ a diverse range of teaching and learning methodologies to create captivating learning opportunities. Deliver outstanding learning experiences utilizing innovative strategies to inspire and engage students towards achieving their full potential. Provide comprehensive academic and pastoral support to facilitate student goal

attainment. Diligently assess and provide constructive feedback on student work to aid improvement. Assume responsibility for monitoring and facilitating the progress and achievement of all students within your course. Act as an advocate for our Maths and English strategy, ensuring its integration into teaching practices. Lead a designated program or course, upholding high standards of behavior and performance to provide enriching experiences that elevate student aspirations. Foster effective communication and collaboration with student support services, external agencies, and parents to enhance student progress. Utilize program data for informed decision-making and to optimize course management. Offer Information, Advice, and Guidance (IAG) to empower students in their decision-making processes and progression pathways.
