Company: Practice Plus Group

Location: United Kingdom

Category: healthcare-practitioners-and-technical

### About The Role

#### Job Summary

Are you passionate about ensuring only the right patients are in ED?

Would you like to work flexible hours around your existing role?

Are you an experienced clinician with skills in advanced clinical assessment?

Then look no further as Practice Plus Group have a job for you!

Practice Plus Group are looking for Enhanced Clinical Validation Clinicians to join a team of well established, experienced senior clinicians working across the Devon Integrated Care System (ICS) to deliver an exciting new model of care in line with the NHS 111 service:

#### **enhanced clinical validation of emergency outcomes.**

You will contact patients triaged by 111 who have either an initial Emergency Department or Ambulance outcome (category 3 and 4) from NHS Pathways to provide telephony-based care including clinical assessment, treatment, referral and advice. The team is well established and currently, around 80% of the patients they speak are not referred to Emergency Department or the ambulance service.

#### **Why is this role right for you?**

##### **A fully flexible role including:**

**Flexible hours** – that fit around your professional and personal life

**Flexible Contracts** - We can offer working patterns through Self Employed or a Bank route.

**Flexible location** – work from home (anywhere in the UK) or from a vibrant contact centre

**Flexible shift times** – ranging from 4 hours to 10 hours

**Flexible days**– work the days that work for you with no week-on-week commitment
