Environmental Health & Safety Advisor

Location:

London, LND, GB

Req ID: 38008

Date: Oct 20, 2023

ASR Group is the world's largest refiner and marketer of cane sugar, with an annual production capacity of more than 6 million tons of sugar. The company produces a full line of grocery, industrial, food service and specialty sweetener products. Across North America, ASR Group owns and operates six sugar refineries, located in Louisiana, New York, California, Maryland, Canada and Mexico. In the European Union, the company owns and operates sugar refineries in England, Portugal. ASR Group also owns and operates mills in Mexico and Belize. The company's brand portfolio includes the leading brands Domino®, C&H®, Redpath®, Tate & Lyle®, Lyle's® and Sidul®.

What will you be doing

Monitor and ensure compliance with UK and European EHS legislation, codes of practice, and standards.

Provide expert advice on environmental, health & safety, and fire precautions based on current regulations.

Develop and deliver engaging EHS training programs.

Drive visibility and awareness of our EHS initiatives across the site.

Spearhead the implementation of robust EHS programs to prevent accidents and non-conformances.

Become a subject matter expert on site environmental permits and regulations.

Regularly review and update fire risk assessments for all occupied buildings.

Collaborate with external bodies and auditors for specialist advice and reporting requirements.

Support the achievement of plant safety and environmental performance goals

Location Thames Refinery and in support of Plaistow Wharf.

Hours – Monday to Friday 8am – 4pm

What are we looking for

Previous EHS advisory experience in an industrial operations setting

Knowledge of UK and European health, safety and fire legislation, approved codes of practice, guidance and local regulations as well as relevant consensus standards

Knowledge of UK / EU environmental legislation and regulation, and ability to administer these to industrial operations.

Incident Investigation and Root Cause Analysis education or experience
