Company: Thorn Baker Construction

Location: Daventry

Category: other-general

Environmental Manager | Daventry | £45k-£60k | Hybrid working

We are currently working on behalf of a ambitious construction client who pride themselves on their innovative thinking and culture, the successful candidate will provide E&S support to the clients operations, as part of a closely knit SHEQ team.

They are looking to hire an Environmental and Sustainability manager to join their best in class SHEQ team. They will be leading the businesses environmental activities across the UK sites with a focus on compliance / contractual / procedural tasks.

What you'll be doing:

Undertake regular site inspections to monitor compliance with the environmental licences/consents for the works and environmental plans and procedures; implement follow-up corrective actions to ensure compliance with UK regulations and legislation.

Provide appropriate professional and practical advice to Enterprise Partners and the supply chain on environmental and ecological issues.

Review and make recommendations for subcontractor selection

Monitor the performance of environmental advisors & sustainability coordinators.

Who we're looking for:

Environmental Degree, NEBOSH Environmental Diploma / IEMA Certificate or related discipline.

Knowledge of investigation (root cause analysis) techniques for incident investigation.

Experience of chairing meetings, both with the workforce, supply chain and sub-contractors.

Strong and effective communication skills to deliver key safety messages.

Experience in construction environment (desirable)

Driving Licence(Essential)

Key benefits:

Company car or car allowance

Medical Health Cover

25 days annual leave plus bank holidays

BB Pension Scheme

Access to our employee referral scheme

Discretionary annual salary reviews
