Job Summary

This clientside employer is looking to add an Estates/Asset Manager to cover a portfolio of commercial properties across the East of England. This role will see you operating autonomously and managing all aspects of estate management including contract negotiations, rent reviews, lease renewals and evaluations, sub leasing, landlord consents, service charges and leasing.

You will be a proven negotiator and ideally MRICS and be happy to travel across the portfolio as and when required. Attendance in the London office may also be required.
