We are currently recruiting for an experienced Bodyshop Estimator / Vehicle Damage Assessor for our client's reputable site. We have new opportunities for our clients site based in the High Wycombe area. They are offering excellent working conditions, brand new equipment, a company that prides itself on quality and very good money / company benefits.

### Estimator role:

Working closely with clients and customers you will be inspecting damage on vehicles to access what work would be required, time scales and cost for any work completed.

- Estimating damage and inputting all workflow onto the systems (Systems include Audatex)
- Looking at the most cost-effective repair method
- Be able to explain why you believe the work is required and liaise with customers and insurance companies in a professional manner
- Reviewing ongoing jobs and identifying issues
- Working closely with any warranty or an insurance paperwork

## Requirements:

- Must have at least 1 years' experience as a bodyshop Estimator
- Ideally you will have the ATA VDA (Vehicle Damage Assessor) Estimator accreditation though this isn't essential as we will consider candidates with time served experience
- Professional and confident character who is able to deliver a strong customer service

If you have any further questions then please submit your application so we can discuss through the opportunity and your CV.

Please note all applications will be strictly confidential and we won't send your CV out without talking with you first.
