Experience Systems Accountant - London-based University

[Apply Now](#)

Company: Real Staffing

Location: United Kingdom

Category: business-and-financial-operations

Good evening,

I'm working with a London-based university that is looking for an experienced Systems Accountant to join their Finance Team.

The primary focus of this role is spearheading the migration of their financial systems. They need someone who can ensure an accurate transfer of data, establish the user access rights in their new system, optimise their work-flow process, and aid in the seamless integration for various modules.
