Company: Sammons Recruitment Ltd

Location: Hastings

Category: other-general

Our client is seeking a skilled Extrusion Operator to join their team.

As an Extrusion Operator, you will be responsible for operating and maintaining extrusion equipment to produce high-quality products. This is a hands-on role that requires mechanical knowledge and the ability to work with various tools and equipment.

Duties:

- Set up and operate extrusion machines according to specifications
- Monitor the extrusion process to ensure product quality and consistency
- Adjust machine settings as needed to meet production requirements
- Perform routine maintenance on equipment to ensure optimal performance
- Troubleshoot and resolve any issues that may arise during the production process
- Follow safety protocols and maintain a clean and organized work area
- Collaborate with team members to meet production goals

Requirements:

- Previous experience operating extrusion machines is preferred
- Strong mechanical aptitude and problem-solving skills
- Familiarity with SolidWorks or other CAD software is a plus
- Ability to read and interpret technical drawings and specifications
- Knowledge of logic controllers and basic electrical systems is beneficial

- Comfortable working in a warehouse environment

This is a full-time position with competitive pay. We offer opportunities for career advancement.

If you have the skills and experience we are looking for, we encourage you to apply for the role of Extrusion Operator.
