

## Fabric Engineer

[Apply Now](#)

Company: Randstad

Location: Oxford

Category: architecture-and-engineering

### job details

Job Description:

Are you a qualified Area Site Technician with commercial maintenance experience? Are you looking for a company to offer up skilling and training?

They are seeking an experienced Area Site Technician who has experience working within commercial environments carrying out all areas of Fabric Engineer ... (Mobile role) and minor remedial tasks. This is mainly a Monday to Friday role but will require some weekend work and no call outs. This will be focused on various commercial sites, the role will be covering Oxford and the surrounding areas.

Package includes:

Salary £34k

Core hours Monday to Friday

Annual leave (25 days + 8 Bank Holidays)

Pension Scheme

Training and Development Courses

Use of pool van whilst on site

No Call out

Requirements / Qualifications:

Not all Fabric Engineer roles require qualifications but it is always good to check with the client, some clients are happy with candidates who are experienced based. I have included examples below for reference. Depending on the job, they may need a specific trade bias

Qualifications:

City & Guilds / NVQ Level 2 Carpentry & Joinery

City & Guilds / NVQ Level 2 or 3 Plumbing and Heating

City & Guilds / NVQ Level 2 Painting & Decorating

Day to Day Duties:

Plumbing - washers, taps, unblocking toilets, unblocking stacks, installing new sinks, urinals and toilets, pipework (copper or PVC)

Carpentry - hanging doors, new locks, architrave, window frames, boxing in, assembling furniture

Tiling - floors, walls and Carpet tiles

Painting & Decorating

Randstad CPE values diversity and promotes equality. No terminology in this advert is intended to discriminate against any of the protected characteristics that fall under the Equality Act 2010. We encourage and welcome applications from all sections of society and are more than happy to discuss reasonable adjustments and/or additional arrangements as required to support your application.

Candidates must be eligible to live and work in the UK.

For the purposes of the Conduct Regulations 2003, when advertising permanent vacancies we are acting as an Employment Agency, and when advertising temporary/contract vacancies we are acting as an Employment Business.
