

## Fabricator/Welder

[Apply Now](#)

Company: Workforce Staffing Ltd

Location: Kidderminster

Category: production

**Job Title:** Fabricator/Welder

**Location:** Kidderminster

**Hours:** Permanent/Full Time

**Pay** £15.00ph

### Role Requirements

Proven experience as a fabricator/welder or similar role

Proficient in sheet metal fabrication techniques

Strong welding skills, including the ability to weld various types of metals

Familiarity with hand tools and power tools commonly used in metal fabrication

Basic mechanical knowledge to troubleshoot and make adjustments as needed

Ability to read and interpret blueprints, drawings, and specifications

Good understanding of safety procedures and practices in a manufacturing environment

### Role Responsibilities

Assemble and fabricate metal components based on drawings and specifications.

Perform basic mathematical calculations to ensure accurate measurements and dimensions.

Use hand tools and power tools to cut, shape, and weld metal pieces.

Operate welding equipment to join metal parts together using various welding techniques (e.g., MIG & TIG)

Inspect finished products for quality and ensure they meet the required specifications.

Follow safety guidelines and maintain a clean and organized work area.

Each day we are responsible for placing several hundred dedicated operatives out to work throughout Worcestershire.

We operate from several conveniently located registration centres, therefore are likely to have an office close to you. We cover the following job categories:

Order picking, Warehouse, Stores, Despatch, Packing, Assembly, Machine operating and FLT Driving.

We are always searching for the best talent, so if you know anyone, why not recommend someone to one of our professional team who will be more than happy to help. WAR23
