Fabricator

DOUBLE DAY SHIFT 6AM-2PM / 2PM-10PM

£37,149 plus 15% bonus (£42,500)

Wolverhampton

Permanent

I am looking for Fabricator to work to a high standard that supports the military and commercial industry and who are going through a rapid growth period and need multiple Fabricators.

This Fabricator will be involved with assembling light alloy and non-light alloy parts. You will be required as a Fabricator to produce weld preps ready for the welder.

Fabricator must have experience with either

hand fabrication

Bending and shaping metals

working with thin materials/metals.

Time served of level 3 qualification

small assembling of sheet metal parts

Sheet metal background

New project is about to hit for this Fabricator position so multiple positions available for this Fabricator so please contact Courtney at Orion for this Fabricator. This Fabricator position call Courtney @ orion.

This position Fabricator may involve access to export controlled information and hardware where an export licence would be required for compliance with applicable laws and regulations. Employment will be subject to satisfactory security checks, export licence approval and if required completion of a non-disclosure agreement.

Thank you for your application. Due to the volume of applications we receive, unfortunately we are not able to respond to every application personally, therefore, if you have not heard back from us within 5 working days please assume your application has been unsuccessful. To see our other available vacancies please visit our website.
