Location: London Area

Category: other-general

Fantastic Interim opportunity - Senior Legal Counsel, Technology/TMT - 6 Months FTC (Fixed Term Contract) - Minimum 5 Years PQE We are working with a International Group on a fantastic new Interim role for a Senior Legal Counsel with excellent Technology experience. They are looking for a smart, experienced and highly motivated Senior Tech Lawyer to help their fast-growing team at this highly successful and rapid growth business. This role is a 6 month Fixed Term Contract (FTC) from the end of May/beginning of June. They are looking for a motivated and highly capable individual, with at least 5 years PQE, preferably have a short notice period and come with a high level of tech as well as commercial understanding. Reporting to the General Counsel, you will have an interesting and varied workload encompassing a broad range of legal matters. The successful candidate will be:

- Qualified as a solicitor in a UK jurisdiction with a minimum of 5 years' post-qualification experience.
- Strong academic background, with training at a reputable UK or international law firm.
- Highly organised and able to manage concurrent projects and deadlines in a fast-moving environment.
- Strong communicator, skilled at advising and influencing on complex topics in a direct, commercial manner without jargon or sitting on the fence.
- Willing to work on a broad range of projects, to try new things, and to step outside your legal specialism to help the team.

If this is of an interest to you please contact Dominic Pulsford on DPulsford@kgglobal.co.uk.
