Role:

Oversee and manage pedigree herds

Manage pasture and silage production

Continue to nurture estate back to its full potential

Lead and mentor a capable team of estate staff (including passionate stockpeople and farm operatives)

Drive and manage environmental projects

Contribute extensively towards farm business management

Exercise adaptable approach to changeable agricultural policy

Embrace and champion the estate's ways of working

What you will have:

Livestock farming experience

People management & leadership skills

Progressive mindset

Experience with AECS/ELMS schemes (Desirable)

Conservation background (Desirable)

Package:

Competitive Salary

Accommodation (3 bedroom house)

Vehicle
