Company: The Global Search Company

Location: United Kingdom

Category: other-general

Our client is a leading fashion brand committed to pushing the boundaries of style and reinventing the fashion landscape. With a focus on originality, quality, and trend-setting designs, we're seeking a talented Fashion Designer to elevate the brand to new heights. THIS ROLE WILL INVOLVE RELOCATION TO SAUDI ARABIA. Position Overview: We are looking for a skilled Fashion Designer with a specialization in sketching, print, and graphic designs. As a vital member of the design team, you will be responsible for conceptualizing, creating, and developing unique designs that captivate the audience and set the brand apart in the fashion industry. Key Responsibilities: Develop innovative and trend-setting fashion sketches, incorporating diverse styles and aesthetics. Create captivating print and graphic designs for garments, accessories, and other fashion products. Collaborate closely with the design team to translate conceptual ideas into tangible designs. Stay abreast of current fashion trends, market demands, and consumer preferences to ensure designs resonate with target audience. Participate in brainstorming sessions, offering creative insights and contributing to the overall design direction. Work closely with manufacturers and suppliers to ensure designs are executed to the highest quality standards. Qualifications: Bachelor's degree in Fashion Design or relevant field. Proven experience as a Fashion Designer with a focus on sketching, print, and graphic designs. Proficiency in Adobe Creative Suite (Illustrator, Photoshop, InDesign) and other relevant design software. Strong sketching abilities and a keen eye for detail. Excellent understanding of color theory, composition, and typography. Ability to work effectively in a fast-paced, collaborative environment. Strong communication skills and the ability to articulate

creative concepts effectively.
