Field Calibration Engineer - Medical Equipment

Home based role covering Scotland. As a Field Calibration Engineer, you will travel to client sites to service sensitive medical devices / laboratory equipment in hospitals, health centres and clinics etc.

Job Type: Permanent

Location: Home based with occasional trips to Head Office in the Glasgow area, ideally you will be living in Glasgow, Motherwell, East Kilbride, Hamilton, Lanarkshire, Kilmarnock, Greenock, Edinburgh, Livingstone, Falkirk, Stirling, Abington

Post Code: ML1 3BZ

Salary: £35,000 to £40,000

Benefits: Car, Pension, Medical, Life Assurance

Start Date: ASAP

Duration: Permanent

A successful, high profile company providing calibration and repair services for Medical Equipment / Healthcare Instrumentation / Laboratory Equipment require a Calibration Engineer.

You will work from home and travel to site to calibrate and carry out basic maintenance (and occasional repair work) on equipment at hospitals, clinics, health centres etc. After completion of initial training you will be working alone but will have comprehensive technical and administrative back-up. You will liaise with health service workers on a day-to-day basis in the course of your work.

As a Field Calibration Engineer - Medical Equipment you will have at least 3 years commercial experience and be qualified to HNC/HND in an appropriate electronics, science or engineering discipline. You should have a smart personal appearance, excellent organisational abilities, good communication and customer care skills and be able to work under pressure when required. A clean driving license is required together with good navigation skills. Calibration experience is desirable however full training will be provided.

The role will suit individuals currently working as a Calibration Engineer, Electronics Repair Engineer, Bench Engineer, Laboratory Instrumentation Technician, Medical Device Engineer, Field Service Engineer Electronics Engineer and living within a commutable distance of Glasgow, Motherwell, East Kilbride, Hamilton, Lanarkshire, Kilmarnock, Greenock, Edinburgh, Livingstone, Falkirk, Stirling, Abington or be willing to relocate.
