Company: Guided Solutions

Location: United Kingdom

Category: other-general

Our client is a renowned orthopaedic business with a clinically advanced portfolio. This manufacturer is focused on innovative technology solutions for a range of musculoskeletal conditions. The comprehensive portfolio spans preventative, pre-surgical and post-surgical indications.

They are now looking for a Territory Manager for the Midlands (Derby, Leicester, Northampton, Coventry, Birmingham, Wolverhampton and Stoke-on-Trent) to transform patient care. With comprehensive training, you would become a product expert, supporting orthopaedic healthcare professions deliver first class treatment with the technology you represent.

This is a field-based position. Key responsibilities include:

Developing an excellent knowledge of your portfolio.

Educating and training of customers to ensure the devices achieve maximum patient benefit.

Supporting and growing of an existing customer base.

Identifying and securing new business across the region.

To be considered for this position candidates must closely match the following reference profile:

Bachelor's degree or clinical equivalent

Field-based sales experience (absolutely essential)

Experience selling into the NHS/private medical sector (preferred but not essential)

Articulate communicator

Ability/willingness to travel
