Field Service Engineer – Inca Onset Printing Presses

West Yorkshire / Field Based

£30,000 - £40,000 Depending on experience + overtime + benefits

Our client is the UK's leading technical support provider for the printing industry with an impressive 30 years' worth of experience. They provide sales and support for a diverse range of specialised print equipment, including prepress, digital and conventional printers, wide-format inkjet and digital finishing equipment from the biggest named manufacturers in the industry.

They are looking for an experienced Field Service Engineer to provide technical support, troubleshooting, preventive maintenance, and customer service for a variety of digital print & finishing equipment. This person will be responsible for ad-hoc and contract field servicing, equipment refurbishments and upgrades, equipment installations, decommissioning, and relocations.

We're seeking someone for this role based in the North of England, ideally West Yorkshire or the surrounding areas, who has extensive experience as an Inca Onset Press operator OR engineering experience on similar digital printing presses.

Required qualifications / experience:

- Experience using Digital Cutting Systems, Large Format or Industrial Inkjet / Digital Printers
- Knowledge of Inca Onset digital presses – ESSENTIAL

- Knowledge of Zund/Esko Kongsberg Cutters, Computer to Plate systems (CTP) -

HIGHLY ADVANTAGEOUS

- Proven Field Service, Technical Support and Electro-Mechanical skills either as an in-house technician, advanced operator, or field service engineer
- Official qualifications or work experience as a technically adept print operator
- Troubleshooting skills
- Preventive Maintenance skills
- Customer Service skills
- Excellent communication and interpersonal skills
- Ability to work remotely, independently, or as a team
- Valid driving licence and passport
- Available to work across the UK with some international travel
- Highly skilled operators with maintenance skills will be considered.

Salary & Benefits:

Base salary up to £40,000 depending on experience / knowledge. This is a full time “door to door” position, working Monday to Friday, 8:30am – 17:00pm with some weekend / evening overtime required.

This company has fantastic benefits:

- Paid lunch breaks
- Paid overtime
- Flexible daily working hours (early start, early finish, etc)
- Overnight expenses
- Company car and fuel card (after a 3 month probationary period)
- Laptop and mobile
- Toolbox / tool allowance.

This role is an urgent requirement, so please get in touch for immediate consideration.
