## Field Service Engineer (Local Patch/4 day week)

£30,000 - £35,000 + Tuesday to Friday + Door to Door + Industry Training + Unlimited Overtime + Local Patch + Company Van + Excellent Benefits

Home Based, ideally located: Ipswich, Colchester, Braintree, Cambridge, Thetford or surrounding areas

Do you have Heavy Mechanical / Plant / Forklift experience? Are you looking to work in a local patch with a great work-life balance?

On offer, is an opportunity to join a tight knit team where you can receive on the job training and maintain a great work-life balance whilst working a local patch.

This company operates across the East of England servicing and repairing a range of leading manufacturers of Forklifts. Due to continued growth and investment they are looking for a Workshop Engineer to join their ever-growing team..

In this role, you will be field-based, visiting customer sites, conducting fault-finding, and servicing all company machinery while providing unrivalled customer service. This is a Tuesday to Friday role with optional overtime available.

This role would suit an engineer from a heavy mechanical background looking for long term job security, a local patch and a great work-life balance.

The Position:

Service, repair and maintain Forklifts.

Manufacturer training.

Tuesday to Friday, optional overtime available

The Person:

Plant, Forklift, Heavy Mechanical background.

Looking for a local patch.

Looking for long term job security with a reputable business.

Reference Number: BBBH(phone number removed)
