Field Service Engineer

Nottingham

£30,000 - £33,000 Basic + Bonuses + Overtime (£55'000 - £60'000 Realistic!) + Van + Progression + Training + Pension

Are you a field service engineer that wants to earn £60'000 in your first year with uncapped bonuses and overtime? Enjoy being part of a leading company who is passionate about the quality of the product they provide for their clients. If you are hardworking with a can-do attitude and want to earn really well - this is the perfect role for you.

This commercial / industrial company offers some of the best products on the market and has continuous growth plans. They pride themselves on their ability to provide first class care to their customers, and their field service engineers have a pivotal part to play. Enjoy the opportunity to work and earn as much as you want and be given the opportunity to take paid training/courses to make you a technical expert within the industry.

Your role will include:

\* Field Service engineer

- \* Service & Repairs on hydraulics and pneumatic systems
- \* Reactive maintenance
- \* £30,000 - £33,000 + Overtime (£60'000 achievable OTE) + Van + Progression + Training + Pension

You'll need to be:

- \* Field Service Engineer or similar background
- \* Hydraulics experience (heavy equipment / lift equipment / plant equipment or similar)
- \* Trustworthy / friendly / can-do attitude
- \* Commutable around the Nottingham area
- \* Keen to work overtime and earn £60k

Apply now below or call Eran at Future Engineer on (phone number removed)
