Company: Energis Recruitment Ltd

Location: United Kingdom

Category: other-general

Job Description

Based near Lisburn our client is fast paced manufacturing company who have a requirement for an experienced Field Service / Maintenance Technician to carry out scheduled and unscheduled maintenance work on installations throughout their client sites across NI.

With a focus on customer satisfaction, you will efficiently diagnose and implement all reactive maintenance work on client's installations. You will oversee and work to optimize the operational processes of a company's systems to increase productivity and reduce a company's use of excess time and materials.

Criteria:

Time served technician, with a minimum of 2-3 years' industrial mechanical experience.

In-depth knowledge of gas/diesel engines.

Good IT skills and competent in the use of Microsoft Office Packages.

Valid driving licence.

Hours of Work: Monday - Friday 8.00 am - 4.30 pm

This role will involve weekend work and possible out of hours work. You will be required to participate in an established 24 hour callout program based on a rota system.

In return you will be offered a challenging role with salary in the region of £33k plus benefits

including bonus, overtime pay, healthcare and pension.

To apply please upload your CV through the link or call 02890 826044 for a confidential discussion.
