Job Details

Your new company

Hays Senior Finance are recruiting on behalf of their prestigious client for a permanent Financial Accountant to join their busy team. Salary is £46,000 - £54,000 depending on experience + hybrid working, 39 days annual leave and a highly competitive pension contribution.

Your new role

Reporting to the Finance Manager, you will be responsible for the provision of accurate & timely financial reporting, planning & treasury management. You will complete monthly financial reporting, fixed asset accounting, cashflow forecasting & complex debt reporting. You will also be heavily involved in process & system streamlining & improvement. You will oversee accounts receivable, identifying any process improvement to minimise risk & effective cash management.

What you'll need to succeed

You will be a Qualified Accountant with a strong technical accounting background. You will be highly experienced in financial reporting and have an ability to problem-solve technical

accounting matters. You will have a customer-focused mindset with an ability to build long-lasting internal & external relationships. Having a process improvement mindset is an important aspect of this role. Experience in fixed asset accounting is a bonus but not essential. Data & financial modelling is also an aspect of the role, so experience in this area is advantageous but again not essential.

What you'll get in return

The opportunity to work for a prestigious organisation in Dundee offering an excellent salary package of £46,000 - £54,000 depending on experience + hybrid working, 39 days annual leave and a highly competitive pension
