

Financial Controller[973927]

[Apply Now](#)

Company: Milestone

Location: United Kingdom

Category: other-general

Milestone is a Leicestershire-based contractor offering civil, electrical and mechanical engineering, plus in-house steel fabrication and installation work across the UK. We work with leading clients in the telecoms, solar, EV and digital media industries. Our flexible approach may entail providing a bespoke service or acting as a contractor in specific, specialist delivery areas.

Responsibilities:

Carry out monthly stock take and work in progress valuations, including stock journaling and reporting. Incorporate future requirements for ERP support on this process.

Responsible for all aspects of balance sheet management, including Tax Returns (VAT, PAYE, CT), Credit Control, Accounts Payable and Project Work in Progress.

Deliver financial and operational insight through monthly reporting to RSK, KPIs and Management Accounting.

Implement and maintain a strong set of internal controls, with a particular focus on managing working capital and revenue recognition.

Work collaboratively with the Commercial, Delivery and Operational teams to increase financial opportunity on client management process, optimising project terms e.g. Contractual and financial agreements.

Support the Head of Procurement on supplier strategy including contractual and financial terms and conditions.

Requirements:

Qualified Accountant (CIMA / ACCA / ACA).

Proven working experience in the financial sector.

Background of managing financial accounts to optimise performance.

Experience of implementing areas for improvement.

Producing financial terms and conditions.

Salary and Benefits:

Salary up to £70,000 DOE

Hybrid working available - 3 days in the office

Pension contribution
