Company: Better Placed Ltd - A Sunday Times Top 10 Employer in 2023!

Location: England

Category: sales-and-related

\*Please note that it is essential that this hire has experience working in both UK and US markets. If you're a Financial Controller (ACA / CIMA / ACCA) looking for a new role in fast paced, start-up environment where you will be given autonomy to manage the finance function please read on! Better Placed is partnering with a one of the UK's rising star start-up brands as they continue on their exciting period of growth, with their products set to launch in into new territories outside of the UK. They are looking for a highly skilled Financial Controller (ideally with some US experience) who is able to meet transactional and legal duties, ensuring fiscal compliance and provide commercial insight to the SLT. Our client is a subscription brand founded in 2020 and made its stunning debut to rave reviews and awards from Vogue, GQ, Esquire, and Harper's BAZAAR. They are well on their way to becoming a household name. This is a critical hire for the founders and will report to the C-suite. The role is dynamic and broad and will suit someone with experience in fast paced consumer businesses. Top line pillars of responsibility To ensure that the Finance department produces timely, accurate management accounts and financial reports to enable financial performance to be reliably reported to Board and SLT. Own and manage the budgeting and re-forecasting process. Oversee and ensure everyday Finance processes run smoothly Ensure the company meets its statutory, fiscal and auditing requirements Ensure the company builds over time, a qualified and capable Finance Team The person Qualified accountant (ACA / CIMA / ACCA) Great communicator with peers both in and outside of finance Experience in managing people Proven experience in a fast paced consumer brand Please note this role requires 1 day / month in London For more information on the role and my client please apply
