Location: United Kingdom

Category: other-general

Financial Director / CFO – Holding Company

Location: UK + travel.

Home-based with regular UK, European and International travel as required.

Must understand the UK financial regulations and Accounting Principals.

Salary: up to £120,000 competitive (DoE)

We are currently looking for an up to **Financial Director / CFO** with strong experience working in family office settings to join our Client's team. Our client's international **business includes Hotels and Restaurants**

You will join a **international structure** and work closely with the Principal and his team.

A financial team is in place for the day-to-day needs of the international businesses, and we are looking for a **Financial wizard** who will work as an advisor with **primary focus on investments** and potential new business opportunities.

Role and Responsibilities:

The responsibilities of the role are both 'broad' and 'deep' – in essence to **first port of call' for all things financial relating to new investments** and as business requires.

Our **client is very ambitious** and is **keen to consider opportunities internationally** therefore it is expected that this position **will require travel**.

Personal Characteristics:

Confidence in dealing direct with the Principal and Partner

Self-starter with a can do attitude

Ability to work to short response timelines

Methodical, structured and detail orientated

Commercial sense

Understanding of the FO / Holding Company environment, in particular the need for discretion and confidentiality

Flexible to travel nationally and/or internationally as needed

Experience

Required – Establishing and maintaining financial management and reporting processes for small/medium sized business with overseas operations

Preferred but required – Family Office/HNW exposure

Relevant Financial Degree and Qualification for working with the UK accounting standards

English fluency
