

## Financial Planning Analyst

[Apply Now](#)

Company: Fidarsi

Location: London Area

Category: other-general

Insurance - Underwriting London based / hybrid working Part qualified FP&A analyst (ACCA/CIMA/ACA) £50,000 - £65,000 base plus bonus and package Are you a part qualified accountant who has some commercial finance experience (FP&A/Management accounting) gained within financial services (i.e. Insurance, banking, broking, Private equity, investment management) and is looking to take their career to the next level? Do you enjoy dealing with senior stakeholders, influencing business decisions through commercial analysis & can you simplify finance for non finance people? If so, this role could be for you. Fidarsi are delighted to be partnering with an award winning international underwriting group to help them find a part qualified accountant to join the FP&A team. The firm have experienced tremendous growth over the last few years in both revenues and headcount which is reflected in the finance team that has grown from 3 to 12 people since Oct 22, giving career and development opportunities to all those involved. This growth trajectory is not expected to slow down making this the perfect environment for candidates wishing to fast track their own career. This is opportunity requires a part qualified accountant (ACCA/CIMA/ACA) who has some commercial finance/Financial planning & analysis experience gained in a regulated financial services business (i.e. Insurance, banking, broking, Private equity, investment management) who is interested in developing their skills in a commercial finance function where they will be working on areas such as Board & Exco reporting, budgeting & forecasting, variance analysis, development of KPI's and management information. You will also have the chance to be involved in wider projects such as the implementation of a new ERP system giving further to chance to professionally develop. We are looking for individuals that have started

their accounting qualification (ACCA/CIMA) & gained at least 3 years of practical work experience in the planning & analysis or commercial finance (management accounting/FP&A) department of a financial services company since graduating (Insurance, bank, Broker, fund etc). This role will offer a salary up to £65K plus bonus and package with full study support with a hybrid work model & an office based in the heart of the City near to Leadenhall. Please forward your cv asap.
