

Financial Planning Analyst

[Apply Now](#)

Company: Shaw Trust

Location: United Kingdom

Category: business-and-financial-operations

“Shaw Trust promotes team spirit, inclusiveness and it is an organisation where everybody is somebody. I am proud to be part of this great organisation.”

Purpose

We are looking for a dynamic and highly motivated individual to join our finance team. You will work closely with the finance business partners and operational leads to develop, implement, and review commercial bids and acquisitions across the organisation. You will implement best practices from a modelling and due diligence perspective and advise senior leadership on value drivers to inform the bidding strategy and financial outlook.

You will be a finance, data analytics, or financial modelling professional with the ability to analyse data, identify trends and engage and influence a range of stakeholders consistently.

You will be a strong relationship builder within the finance team and across the organisation.

You will have a passion for quickly understanding and evaluating the value driver across a diverse range of contracts and sectors.

Essential:

You will have:

Qualified or Part-Qualified Accountant CIMA, ACA, ACCA, CFA, or Equivalent such as a well-trained Financial Modeller or Data Analyst (FMVA, BIDA etc.).

Professional training or QBE in financial modelling

Experience of working in a transactions, bids and deals environment, technical financial

modelling, or due diligence role, either in professional services or as part of an industry / in a business development team

Download the Job Description for full details.

Location:

Home Based- Non Regional

Employee Benefits

As an employee of Shaw Trust as well as positively impacting people's lives, you will have access to the following benefits:

25 days annual leave per year (plus bank holidays), with incremental increases post 3 years' service up to 28 days, and the option to purchase additional holiday

2 days paid volunteering leave each year

An enhanced pension scheme after 6 months

Life Assurance at 3 times your annual salary rate

Access to a suite of learning and development opportunities including paid for apprenticeship and masters' levels qualifications, and management development programmes

Opportunities to connect with our employee diversity networks (LGBTQ+ Support Network, Racial Equality Network, Disability Equality Network, Women's Network)

Health and Wellbeing initiatives including internal support, employee assistance programme and health cash plan
